News Release

Nine Additional Inmates are Positive COVID-19

Santa Barbara, Calif. – Nine additional inmates at the Main Jail have tested positive for COVID-19, nine have recovered and one has been released. The nine new positive inmates were tested as part of broad surveillance testing of over 450 inmates and found to be COVID-19 positive today. All nine inmates are being monitored by custody and medical staff regularly.

There are an additional 30 test results from surveillance tests that are pending.
