I'm running to be your voice on the Retirement Board. Ensuring the long term stability of our pension system, and preserving our retirement benefits that we have rightfully earned are my priorities. Retirement systems throughout California continue to be attacked by special interests determined to reduce or eliminate our benefits. As your representative on the Retirement Board, I will defend our guaranteed, defined benefits and will advocate on your behalf.

I am endorsed by SEIU Local 620 and as a Union Member, I stand strong for all of my fellow employees. I have always defended the interests of my co-workers. I will work tirelessly for you, which includes doing my best to keep everyone informed and educated on the issues

In addition to being a husband, father, and Santa Barbara County resident, I am a state certified Property Tax Appraiser with 5 years of professional, financial related experience. Prior to working for Santa Barbara County, I worked in the Offices of Governor Arnold Schwarzenegger, and the California Secretary of Education. I am a member of the Santa Maria Library Board of Trustees, and a 20 year veteran of the US Army Reserve.

I ask for your support and your vote.
