**Jalama Road Bridge Construction – Night Closures at Milepost 8.8  
In the Third Supervisorial District, August 24-27, 2015**

Jalama Road **will be closed between 10 PM and 6AM on Jalama Road at milepost 8.8** on the nights of **August 24, 25, and 26 ending at 6 AM on August 27.**

The closures are scheduled for girder construction activities. Portable changeable message boards are in place to alert travelers on Jalama Road near Highway 1 and at Jalama Beach.

A full road closure is required because of the size of cranes required to lift each 118 Ton precast concrete girder into place.
