Subject: Ad Hoc Committee

I am writing to register my strong opinion that the Ad Hoc Subcommittee and the County should not in any way condone or offer Fee to Trust nor violate the Williamson Act on any property owned by the Santa Ynez Band of Chumash Indians. This is the stated position of the Board of Supervisors as established by Board action on a 4 to 1 vote on October 15, 2013.

I realize there is a strong opinion the Bureau of Indian Affairs and or the Congress will endorse the FTT for the Tribe in any case however there comes a time when the "greater good" must prevail regardless of the time, energy and money that must be spent in the cause. This is not about "housing" it is about "money and greed". When has the motivation of a "gambling enterprise" taken precedence over the rights of all citizens to protect their quality of life and the environment.

Do the right thing for all of your constituents and abandon the offer in the Term Sheet providing FTT and zoning changes to the Tribe.
