**Subject:** Camp 4 Fee to Trust

**Please be advised I am strongly against the purposed Camp 4 fee to Trust!!!**

**As a resident of Happy Canyon for 35 years, the purposed Camp 4 project would severely affect my property and home life. Those of us who sought out the area in which we live because of its low population and peacefulness will be seriously affected if high density population and change of use be allowed. Any changes to the property that doesn't require the Camp 4 project to go through the *SAME RULES AND REGULATIONS I WOULD HAVE TO GO THROUGH* is just wrong on every level!**

**Please know I object to any 'leap frog changes' inconsistent with the Ag preserve and zoning for the area. Please do your best to see that ANY CHANGES have the same governing powers the rest of the community must comply with for any changes.**

**Taking this property off the tax roles...really? Our roads out here are already pitted with holes, are narrow and in my estimation already have too much traffic to be safe.**

**Please count me as being against any Camp 4 fee to Trust.**
