Subject: Stop The Chumash from Destroying our Valley!!!!!!

Dear Supervisors Farr and Adams:

Enough is Enough!!! Stop The Chumash from destroying this bucolic Valley even more. The Twelve Story Casino Tower and gambling have already scared away countless visitors and home buyers to this beautiful slice of paradise. We do not need or want Vegas in the Valley!!!!

I am writing to register my strong opinion that the Ad Hoc Subcommittee and the County should not in any way condone or offer Fee to Trust (FTT) nor violate the Williamson Act on any property owned by the Santa Ynez Band of Chumash Indians. This is the stated position of the Board of Supervisors as established by Board action on a 4:1 vote on October 15, 2013. The Board did not extend authority to the Ad Hoc Committee to negotiate Fee to Trust. The current FTT discussion is completely inappropriate without a return to the Board to reconsider their October 15, 2013 position in a full public hearing.

The current offer in the Term Sheet of FTT and zoning changes must be abandoned immediately, and full public participation allowed before previous public votes and Community Planning are unilaterally upended without the proper authority.

Please listen to your Valley residents!!!
