Pedestrian Fatally Injured by Train in Montecito

Santa Barbara — At approximately 1:30 p.m. today, March 11, 2017, a young male adult was walking northbound along the railroad tracks near Fernald Point Lane in Montecito when he was fatally injured by a an Amtrak passenger train that was headed northbound as well. The train engineer observed the subject on the tracks and activated the horn, whistle and braking system, but the subject did not respond and was struck by the train.

The Sheriff's Coroner's Office is in the process of making a next of kin notification and is conducting an investigation to determine the circumstances surrounding the incident. An official cause and manner of death is pending toxicology and lab results.
