Prepared Exclusively for SANTA BARBARA COUNTY CA

ICMA Center for Performance Measurement™

Service Area: YOUTH SERVICES

Youth Services performance can be assessed on several core measures, including subsidized childcare slots filled as a percentage of slots available, the percentage of children and youth who successfully completed the conditions of their probation during the reporting period, and the number of investigated and substantiated child abuse and/or neglect calls as a percentage of all investigated cases. Variations in performance may relate to differences in number of FTEs, jurisdiction size, and other issues.
