Supervisor Peter Adam is a tireless advocate of fiscal responsibility. As a fifth generation Santa Maria Valley farmer and successful business owner, Peter understands that every new regulation has the potential to negatively impact the people of Santa Barbara County. It is with this attitude that Peter approaches County government—the actions of the Supervisors can, and often do, affect our local business owners, farmers, ranchers, and most importantly: taxpayers.

FOURTH DISTRICT (CONT'D)

2016-17 Anticipated Accomplishments (cont'd)

The Fourth District encompasses the City of Lompoc, the Orcutt area, and portions of Los Alamos and the City of Santa Maria, and provides Peter with the opportunity to represent a highly diverse constituency. Peter and his staff are problem solvers who can assess the needs of his constituents—and the County as a whole—in a highly effective manner. Our office excels in its ability to help taxpayers navigate the often intricate and daunting inner workings of County bureaucracy.

Peter is committed to sustainably balancing the budget by increasing revenue the old fashion way: by streamlining the permitting process, bringing certainty in both time and cost to applicants, and encouraging and supporting all types of business and development.

Besides attending and partaking in numerous community events, Supervisor Peter Adam is the past Chair (2016) of the Board of Supervisors and currently serves on the following boards and commissions:

- Air Pollution Control District (APCD) –Past Chair (2016)
- California State Association of Counties - CSAC (Alternate)
- CenCal Health (Alternate)

- First 5 Children and Families Commission (Alternate)
- Juvenile Justice Coordinating Council
- KIDS Network Policy Council – Chair

- Santa Barbara County Association of Governments (SBCAG) – Vice Chair

2017-19 Objectives

Supervisor Adam will continue to keep the \$350 million deferred maintenance of our County roads, parks and building a high priority. He will also be drawing attention to our soaring employee costs and unfunded pension liabilities that now measures over \$1 billion.

His office will continue to put a significant effort into addressing the community needs of the cities and unincorporated areas of the Fourth District.

Peter will focus his advocacy on using sound business principles such as performance measures, accountability, certainty and revenue generation to the budget and policy making process within the County of Santa Barbara.
