**FOR IMMEDIATE RELEASE**

**SECOND DISTRICT SUPERVISOR JANET WOLF ANNOUNCES OPENINGS ON  
COUNTY BOARDS AND COMMISSIONS**

County Supervisor Janet Wolf is seeking community members who live in the Second District to serve on the following County Boards and Commissions: Mosquito and Vector Control Board and Historic Landmarks Advisory Committee.

“Serving on a commission or board is an excellent opportunity to learn more about County government while also providing a vital service by advising the Board of Supervisors on important issues affecting our community,” Supervisor Wolf said.

Applicants must reside within the Second District of Santa Barbara County (<http://www.countyofsb.org/bos/wolf/map.sbc>) and will need to meet eligibility requirements specific to the board or committee. The following is a brief description of the board and committee:

- **Mosquito and Vector Control Board:** Establishes policy and makes decisions as guidelines for the administration and operations of the board which include monitoring the prevalence of vector-borne diseases (such as the West Nile Virus), review of financial statements, determination of the District’s budget, and discussion of potential implementation of new administrative or operational techniques and policies, etc. (For more information, visit: <http://mvmdistrict.com/board-of-trustees.html>.)
- **Historic Landmarks Advisory Committee:** Promotes the economic welfare and prosperity of the county by preserving and protecting those places, sites, buildings, structures, works of art and other objects having a special historic or aesthetic character or interest, for the use, education and view of the general public and to remind the citizens of this county and visitors from elsewhere of the background of the county. (For more information, visit: <http://sbcountyplanning.org/boards/hlac/index.cfm>.)
