- The Santa Barbara Foundation’s COVID-19 “Ways to Help” webpage connects community members looking to help, with organizations looking for food, supplies, volunteers, and additional funding. On the platform, organizations can submit forms to request food and supply donations, volunteer opportunities, and financial donations needed to continue their work. Community members looking to provide help can sort, filter, and browse listings and sign up directly with the organization to provide the help requested. To learn more, please go to [SBFoundation.org/covid-19-ways-to-help](http://sbfoundation.org/covid-19-ways-to-help).

- Community members interested in volunteering can submit the County of Santa Barbara COVID Volunteer form (on [publichealthsbc.org](http://publichealthsbc.org) under Resources, or [bit.ly/3chUFO1](http://bit.ly/3chUFO1)).
