FOR IMMEDIATE RELEASE

The Santa Barbara County Fire Department is pleased to announce an increased level of service to the Sisquoc area. On Monday, February 10th, Fire Station 23 at 5003 Depot Ave. increased its service level from basic to advanced life support capabilities. The existing Firefighter/EMT position has been replaced with a Firefighter/Paramedic, providing a higher level of medical care to the Sisquoc area. This transition is part of the Fire Department's strategic plan to provide advanced life support at all 16 stations across Santa Barbara County.
