News Release

Nine Additional Inmates Test Positive for COVID-19

Santa Barbara, Calif. – Nine additional inmates at the Main Jail have tested positive for COVID-19. Two of the inmates were exhibiting COVID-19 related symptoms on Tuesday were found to be COVID-19 positive yesterday. The additional 7 inmates were tested as part of sweeping testing of over 450 inmates and found to be COVID-19 positive today. All nine inmates are being monitored by custody and medical staff regularly.

There are an additional 290 test results from sweeping tests that are pending.
