PRESS RELEASE
November 11, 2020

**ANOTHER 4,000 POUNDS OF RAINBOW TROUT RELEASED IN CACHUMA LAKE
IN TIME FOR VETERANS DAY**

(SANTA BARBARA, Calif.) – In cooperation with the California Department of Fish and Wildlife, Santa Barbara County Parks was granted a Private Stocking Permit for up to 16,000 pounds of triploid rainbow trout for 2020-21. The first 4,000-pound delivery arrived late October, with the second delivery arriving just in time for Veterans Day.

NOTE: While visiting Cachuma Lake, please follow the rules and guidelines relating to COVID-19 posted throughout the park.

An annual pass for Veterans who served in the United States Armed Forces or reserves is only \$10, irrespective of residence. The annual pass is good for one year from the date of purchase and allows Veterans access to Cachuma Recreation Area and Jalama Beach County parks during daylight hours.

Everything an angler needs is available for rent or purchase at the Cachuma Lake Marina and Boat Rentals, which also offers pontoons, outboards and kayak rentals, as well as one-day and annual fishing licenses. Fishing from shore in the recreation area or from a boat is open year-round with a valid fishing license.

For those who plan to bring their own boating vessels, note that due to the 30-day Quagga restrictions at the lake, boats must be inspected and tagged by Cachuma Lake staff at least 30 days prior to your visit. Cachuma Lake allows same-day launching for kayaks, canoes, and “simple boats.” To review vessel requirements and launching protocols, please visit <https://www.countyofsb.org/parks/cachumaboating.sbc>.

Visitors are advised to check recreation area hours, and road and weather conditions in advance. For up-to-date fishing tips and summaries, check out the Cachuma Lake Weekly Fishing Report at www.countyofsb.org/parks/cachumafishing.sbc. For more information, contact the marina at (805) 688-4040.

Cachuma Lake Recreation Area is a full-service campground offering year-round cabin, yurt, RV and tent camping, recreational activities, nature programs for all ages and of course, rainbow trout fishing! For reservations and more information, visit www.sbparks.org.
