Hello Commissioners,

I am unable to attend the Commission meeting due to a conflict with my attendance at a School Board meeting. So I am writing to you the comment that I would have made at the meeting which is simply to please consider replacing Dr. Murti with Jennifer Hardin. Ms. Hardin is a Republican from the 4th district who is also of Hispanic heritage.

Thank you for your work and I hope tomorrow night's meeting is productive.

Sincerely,  
Janet Blevins
