

November 21, 2014

The County online press release archive is being rebuilt. If you are seeking a press release not listed on this website, please contact the County Webmaster (sbcwebmaster@co.santa-barbara.ca.us) via email, and we will be happy to search for and retrieve this for you.

We should have the complete archive of press releases dating back to 2009 available online in the near future.

Thank you.
