

## M E M O R A N D U M

**Date:** August 4, 2017  
**To:** Medi-cal beneficiary providers  
**From:** Quality Care Management  
**Subject:** Posted Brochures and Notices  
**CC:**

---

This memo is to inform providers that the posted notices and brochures which the Department of Health Care Services (DHCS) requires at all provider sites are now available on the Behavioral Wellness website.

Individual and network providers are responsible for ensuring that brochures and notices are posted, and for replacing out of date brochures and notices when revisions have been made. You can find the most up to date versions of brochures and notices by visiting the Behavioral Wellness website at <http://www.countyofsb.org/behavioral-wellness/home.c> and selecting the Quality Care Management tab.

Quality Care Management (QCM) will continue to address questions related to posted brochures and notices. Please send specific questions related to posted brochures and notices to the QCM team email at [BWELLQCM@co.santa-barbara.ca.us](mailto:BWELLQCM@co.santa-barbara.ca.us)
