SANCTUARY CENTERS

OF SANTA BARBARA

Sanctuary House is a community based residential treatment facility that serves adults who are suffering from mental health and emotional difficulties as well as those experiencing substance abuse associated with mental health disorders. Our program offers comprehensive, individualized treatment, which provides clients with the necessary skills toward the creation of a healthy, productive independent lifestyle. Throughout their stay, clients live in a historic Victorian house, which offers a home-like environment that encourages socialization and community engagement.

TREATMENT SERVICES
