

John Winckler, MFT, assumed the role of Regional Manager for Lompoc in January 2018. John also serves as the Crisis Services Manager. Prior to that he was the Team Supervisor for South County Crisis Services. John worked with the Department of Behavioral Wellness from 2000-2008 as a therapist in the Juvenile Justice Mental Health Services program. After leaving the department, he gained experience as a Clinical Supervisor and later the Director of Medi-Cal Mental Health Programs for Family & Children Services of Silicon Valley. Within this role, John provided supervision to organization clinical staff for outpatient mental health clinics. He provided leadership in multiple programs for adults and children with serious mental illnesses including ILP, LGBTQ, Criminal Justice, and programming for Deaf/Hard of Hearing. John has over 20 years of experience in the Behavioral Health field and is licensed as an MFT. John received his bachelors in Psychology from California Lutheran University and his masters in Clinical Psychology from Pacifica Graduate Institute.
