Policy changes!

Policy 8.303 Client Discharge and Continuity of Care for Mental Health Services has been amended. Letters of intent (LOIs) will no longer need to be sent to QCM for logging. Section 5.7 states “Once approved, all completed and signed LOIs will be filed in the client's electronic health record by the Team Supervisor or a designee”.

Kudos

Documentation Kudos

BWell: Alisa Lopez, Amy Wilborn, Crystal Marinez, Michael Dixon, and Patricia Lara all had charts in compliance!

Plan of Corrections: Thanks to Santa Maria Children for getting your POC turned in on time.

CBO: Pathpoint's August chart was found to be in compliance.

Great job, everyone!
