QCM Tidbits

Please join in welcoming three new team members, Joel Kelsch, Lindsey Milner, and Sara Sanchez, to the Department of Behavioral Wellness QCM Team.

New Access Screener: Joel received his Bachelor's Degree in Social Ecology from the University of Irvine and his Master's Degree in Social Welfare from UCLA. Joel is a Licensed Clinical Social Worker and has over 30 years working in the field of behavioral health. His experience includes working as a Psychiatric Social Worker at Camarillo State Hospital and for Ventura County Behavioral Health where he also served as the Assistant Supervisor of the mental health crisis team. Additional experience includes contract work at the California Prison for Los Angeles County, Social Worker and Supervising Psychiatric Social Worker for the California Men's Colony. Joel holds leadership experience working as a Program Administrator for Ventura County Mental Health and as a Manager for the Social Services Department of the Ventura County Medical Center.

New QCM Coordinator: Lindsey Milner graduated from Antioch University with her Master's Degree in Clinical Psychology, has completed her hours as an IMF, and will be sitting soon for her exam. Lindsey holds a variety of experience working directly in our Santa Barbara Community with organizations including Noah's Anchorage Youth Crisis Shelter, Aegis Treatment Center, the Department of Behavioral Wellness and the Department of Social Services. Lindsey holds a breadth of experience in substance abuse treatment and was an asset to the county in the community behavioral health disaster response during the Thomas Fire and 1/9 Debris Flow.

New QCM Coordinator: Sara Sanchez graduated from Antioch University with her Master's Degree in Clinical Psychology and is licensed as an LMFT as well as being certified as a correctional healthcare provider. Sara began her work with the Court Appointed Special Advocates (CASA) program in our community 17 years ago. Since that time, she has worked with CALM, the Council on Alcoholism and Drug Abuse, Casa Pacifica's SAFTY Program, Tri-Counties Regional Center and most recently with Corizon at the Santa Barbara County Jail. Sara also holds experience as a Crisis Intervention Team (CIT) trainer with the Santa Barbara County Sheriff's Department.

We welcome you Joel, Lindsey and Sara!

Thank you to everyone for the support in completing the NACT

Incident reports

Unusual Occurrence Incident Reports

If you see something, say something! Don't forget to complete an Unusual Occurrence Incident Report immediately following the incident. If there was more than one witness to the incident only one person needs to submit the report. The rest of the witnesses can be listed under the "witness to incident" section of the form.

CPS

Consumer Perception Survey week is November 5th -9th. Please keep watch for an email from QCM in the upcoming weeks. We will be changing the way that we distribute surveys and will be asking each site to provide us with the amount they would like rather than estimating off of previous survey results. We ask that you estimate your completed survey amount to be 75% of the clients seen the week of survey distribution.
