(Chapter 792, Statutes of 2018)

PURPOSE

This Information Notice (IN) notifies and provides guidance to Department of Health Care Services (DHCS) licensed or certified alcohol and/or other drug programs (AOD programs) of the passage of SB 1228, which will go into effect on January 1, 2019.

SB 1228 adds Sections 11831.6 and 11831.7 to the California Health and Safety Code (HSC). Section 11831.6 prohibits licensed and/or certified alcoholism or drug abuse recovery and treatment facilities, owners, partners, directors, employees, and/or shareholders from giving or receiving anything of value for the referral of a person to a substance use disorder (SUD) treatment facility. These prohibitions will become effective on January 1, 2019.

This IN also notifies DHCS licensed and/or certified alcoholism or drug abuse recovery and treatment facilities of the passage of HR 6 on October 24, 2018. Subtitle J of Title VIII of HR 6, entitled “Eliminating Kickbacks in Recovery Act of 2018” adds Section 220

to Title 18 of the US Code. Section 220 imposes criminal penalties of up to \$200,000 and imprisonment for 10 years for any individual who solicits or receives remuneration in return for referring a patient to a recovery home, clinical treatment facility, or laboratory. DHCS licensed and/or certified alcoholism or drug abuse recovery and treatment facilities are encouraged to review this new federal law and its application to their operations.

Examples of Conduct that Violates SB 1228

The following are examples of conduct by licensed or certified AOD programs or counselors that would violate Section 11831.6:

This includes recruitment and payments to potential clients at Alcoholics Anonymous meetings, Narcotics Anonymous meetings, and any other recovery meetings.
- 4) Providing remuneration to any call center and/or company in exchange for a client referral.
- 5) Selling potential client information to bidders in order for the bidder to secure a potential client's enrollment at a licensed and/or certified alcoholism or drug abuse recovery and treatment facility.
