Introducing the Care Coordination

A team approach for quality, client-centered, appropriate and effective care.

SANTA BARBARA COUNTY
DEPARTMENT OF

Behavioral Wellness

A System of Care and Recovery

www.countyofsb.org/behavioral-wellness

My care coordinator will support me with the coordination of my care to include:

- Primary Care
- Managed Care
- Social Services
- SUD Services
- Other Services

My Care Coordination is personalized for me:
Care Coordination means using a Team Approach for Quality, Client-Centered, Appropriate and Effective Care.
