Notice of Language Services

If you need to communicate in a language other than English, an interpreter is available to you at **no cost**. You are not required to use a family member or friend to interpret for you. Please inform the clinic staff if you need this service.

Minor children are **PROHIBITED** from serving as interpreters.

American Sign Language Interpretative Services are available for clients with speech and/or hearing impairments. To receive assistance in scheduling an appointment for this service, you may ask your provider, call the Acces Line at 1 (888) 868-1649, or call TTY Access Line at 1 (805) 681-4263.

If you have any questions or concerns regarding language services, please contact the Office of Health Equity and Diversity at (805) 681 – 5208 or (805) 681 – 5209.

Si tiene alguna pregunta o preocupación sobre los servicios lingüísticos, comuníquese con la oficina de Equidad y Diversidad en Salud al (805) 681 – 5208 or (805) 681 – 5209.
