Introduction

Overview

The Department of Health Care Services Office of Criminal Justice Collaboration administers the Driving-Under-the-Influence (DUI) Program through its DUI Program Branch. The DUI Program Branch licenses and monitors all DUI programs statewide; establishes regulations, approves participant fees and fee schedules, and provides DUI information and technical assistance.

The Department currently licenses 254 first-offender, 234 multiple offender programs.

In fiscal year 2012-2013, 132,737 DUI offenders participated in California's licensed DUI programs.

Objectives

The objectives of DUI programs are to: (1) reduce the number of repeat DUI offenses by persons who complete a state-licensed DUI program; and (2) provide participants an opportunity to address problems related to the use of alcohol and/or other drugs.

What Constitutes Drunk Driving in California?

In general, you don't have to be drunk to be guilty of driving under the influence (DUI) in California. DUI simply means:

- Driving while under the influence of alcohol or drugs (legal or illegal).
- Or Driving with a blood alcohol level 0.08% or greater or for 0.01% or greater for anyone 21 years or younger. (VC § 23140).
- Your driving is deemed *impaired*.

People under the age of 21, may be subject to:

- Your driver's license is automatically suspended by DMV if you refuse to take a PAS (Breathalyzer test).

Types of Programs

Wet Reckless Program

Persons between the ages of 18 to 20 convicted of reckless driving with a measurable amount of alcohol in their blood complete a 12-hour DUI education program.

First Offender Program

Persons convicted of a first DUI offense complete a three-month, 30-hour alcohol and drug education and counseling program. However, first offenders with a blood alcohol content of 0.20 or higher complete a nine-month, 60-hour alcohol and drug education and counseling program.

18-Month Program

Second and subsequent DUI offenders complete 18-month multiple offender programs with 52 hours of group counseling, 12 hours of alcohol and drug education, 6 hours of community reentry monitoring, and biweekly individual interviews

30-Month Program

A county may elect to provide 30-month DUI programs for third and subsequent DUI offenders. with 78 hours of group counseling, 12 hours of alcohol and drug education, 120-300 hours of community service, and close and regular individual interviews. This program is not currently offered in Santa Barbara County.
