### **New Business**

7. **Renew 22 Presentation** – Suzanne Grimmesey, Chief Strategy Officer presented PowerPoint on Renew 22, a five year plan to transform Santa Barbara County Government. The PowerPoint highlighted the following: Why Renew 22, Transformation, Essentialism, key areas of improvement. Behavioral Wellness Renew 22 Initiatives, Behavioral Wellness Systems Change. PowerPoint available on Department website. Commissioner Eldridge requested intermittent updates as there is progress being made, Ms. Grimmesey agreed.

### **Commission Business**

#### 8. **Reports of Officers, Boards: Chair, Site Visits, Liaisons to other Committees and BWC Special Committees**

- A. **BWC Site Review Compilation Ad Hoc Subcommittee Update:** Commissioner Blue provides report on site visit to Santa Barbara Childrens Clinic program who serves kids with mental health and/or drug and alcohol problems. Continuum of care is utilized and they also address eating disorders and LGBTQ. They provide warm handoffs to other levels of care and practice a team based evaluation process. The clinic staff were welcoming, hardworking, and pleasant and the clinic itself was ample in space.

Commissioner Pearson reports that the subcommittee will be changing up the site visit questionnaire and will report on changes once made. Also, he will be in contact with Commissioners Mellinger and Swanson-Kyriaco to coordinate new site visits.

- B. **Sheriff's Community Corrections Input Group Update:** Commissioner Richardson reports that the jail has filled the doctor position. Commissioner Eldridge reports that custody staff no longer have the ability to place inmates in safety cells, only medical staff can make those decisions and adds that medical staff have been very responsive in attending to client needs. The commission would like to tour the jail at some point, committee members agreed to bring up that questions and get back to this group.

- C. **Ballot Initiative Exploration Ad Hoc Sub-committee:** no update.

- D. **Bylaws Ad Hoc Subcommittee Update:** Commissioner Winter presents revised recommended amendments to the Behavioral Wellness Commission Bylaws. The two new recommendations are as follows:

1. Bylaws Article II, paragraph 8 currently reads: *“No member shall serve more than two consecutive three year terms, with the exception that if a member has been appointed to a partial term of one and one-half years or less, an individual may then be appointed to two full three year terms. When one year has elapsed following a member’s service, the individual is again eligible for appointment.”*

Recommendation: 1. To omit this provision as the BWC turnover is already sufficient to allow for new members with fresh input to be appointed and 2. The complexity of the Behavioral Wellness Department organization, programming and funding streams make it vital to have continuity in commission membership.

Revised Recommendation (adding language in bold below): *“No member shall serve more than two consecutive three year terms, with the exception that if a member has been appointed to a partial term of one and one half years or less, an individual may then be appointed to two full three year terms. When one year has elapsed following a member’s service, the individual is again eligible for appointment. **An exception can be made if a supervisor agrees to waive, at the request of the appointee, the one year lapse after two three-year terms.**”*

**Action:** Commissioner Richardson made a motion to approve the recommended amendment. Commissioner Eldridge seconded. No oppositions. No abstentions. Motion carried.

2. The following is suggested as a new article in the BWC bylaws, as there is currently no provision for the appointing of committees even though the current bylaws mention committees several times throughout and is required to be part of a Commission’s Bylaws by the State of California’s Welfare and Institutions Code #5604.5(e). The code does not require an Executive Committee be formed, but only that there be provision in each commission’s bylaws for its establishment.

*The Chairperson may appoint the chair of each committee as required to further the goals of the Behavioral Wellness Commission. A committee chair must be a BWC member. It is at the committee chair’s discretion to determine members of the committee. Committees may include members drawn from the community who are not BWC members. An Executive Committee may be established, composed of the Chairperson, Vice Chairperson, Ex-Officio Chairperson and two or three at-large members appointed by the Chairperson to bring the number of voting members to five. This committee shall have executive functions and may act for the Commission when necessary. Any such action taken must be ratified at the next regular meeting of the Commission or become null and void.*

**Action:** Commissioner Winter made a motion to approve recommendation to add new article mentioned above to the Behavioral Wellness Commission Bylaws. Commissioner Eldridge second. No oppositions. No abstentions. Motion carried.

9. **Upcoming Agenda Items:** January 2019 Elections of Officers; ADP Service Provider ratings report with Shereen Khatapoush; IMD Waiver Discussion (motion needed) – 15 minutes; Commissioner Huffines wants to revisit discussion to alternate BWC meeting locations between 3 regions (January agenda); Commissioner Winter wants to revisit Discharge Policy, Celeste was to respond to some questions via e-mail. Chair Byrne will follow up (maybe a February agenda item).

The following items were suggested at the October meeting: AOT Oversight Committee, County Homeless Plan.

10. **Adjournment:** Meeting adjourned at 5:05 p.m.
