SIGNIFICANT ACCOMPLISHMENTS

- Via a public process, awarded \$ 3 million in Federal Community Development Block Grant, HOME and Emergency Shelter Grant funding for capital development, housing, human services and emergency shelters.
- Refined and simplified the Property Management Division's Certification process by updating the application and requiring applicants to attend a consultation with staff prior to receiving and filling out the application, thereby achieving a higher degree of accuracy and minimizing expenditure of staff resources overall.
- Developed 'in-house' escrow and underwriting expertise to effectively deal with an increasing incidence of affordable housing foreclosure and 're-sale' transactions.
