

Treasurer-Tax Collector

NO PRESENTATION

SIGNIFICANT ACCOMPLISHMENTS

- ✦ Established a Collections Data Warehouse for greater collection analysis and reporting.
- ✦ Implemented Check-21 readiness upgrades on collection processing devices which will allow electronic depositing of check-based collections.
- ✦ Established policies and procedures for a debt issuance program to allow the Treasurer to work more effectively with school districts and other entities.

SERVICE LEVEL REDUCTIONS

- ✦ Delete Financial Office Professional (vacant) – Collections. This will lead to lower revenues collected for the County and victims.
- ✦ Delete Financial Office Professional (vacant) – Property Tax. The level of service to our taxpayers would be reduced resulting in longer wait lines for the public and increased on-hold times for phone inquiries.
