Request/Question:

How many of the 46.75 Employees listed as Admin/Support has a Safety Member Pension and why?

Of the 46.75 FTE in the Sheriff's Administration and Support Budget Program, 16.75 FTE receive a Safety pension. In addition to the Sheriff and Undersheriff positions, these positions are filled by sworn personnel who serve in support roles conducting officer training, applicant background investigations, and internal affairs investigations. These positions often call for a specific level of expertise that requires the use of sworn personnel.

However, the Sheriff's Office is in the process of conducting a civilianization study that may result in recommendations on shifting positions across the Department from sworn to non-sworn personnel. The results of that study are expected in FY 2017-18.
