Request/Question:

The budget board letter [page 3] and the Sheriff PowerPoint [p 6] reference the "**unfunding of a Sheriff Sergeant in Air Support Unit**".

What is the impact of the loss of this position to the operation of the ASU? If that position is a pilot position, how is it being covered?

The Sheriff's Sergeant position is being replaced by that of a civilian pilot. The recruitment for that position is currently underway. This transition was part of our civilianization effort.
