“Fall into the shelter for your Fur-ever Friend”
County Animal Services discounts adoptions this October

Santa Barbara County Animal Services has been bursting at the seams in all three of our shelters for most of 2010. We are urging Santa Barbara County residents to “Fall” into your local animal shelter and to meet their Fur-ever Friend. In addition to October being National Adopt A Shelter Dog Month, Santa Barbara County Services is offering reduced adoption fees on all animals.

This year Santa Barbara County Animal Shelters have seen high numbers of animals entering our shelters, with new animals coming in daily. For the month of October the following discounts will be in place:

- Dog adoptions will be reduced by $20
- Cat adoptions will be reduced by $10 and
- Rabbit adoptions will be reduced by $5.

This October you can adopt a wonderful companion animal that has been spayed or neutered and is up to date with all vaccines and receive a lifetime of unconditional love.

There are currently close to 1000 animals in our care. “Our staff and volunteers work very hard to find loving homes for our animals. With the holidays quickly approaching it is even more important that we are able to get animals into forever homes and we hope offering an adoption discount with help us accomplish that,” said Jan Glick, Director of Animal Services.

Fall into the shelter this October and let one of our dedicated volunteers assist you in finding your fur-ever friend.
