Room 201
2115 S. Centerpointe Pkwy.
Santa Maria

May 5, 2011
2:00 pm - 5:00 pm
Santa Barbara Public Health
Auditorium
300 N. San Antonio Road
Santa Barbara

Presenter:
Sandra Jo Hammer, RN, MSN, MPH
Nurse Consultant III
Department of Public Health
Immunization Branch

Course Objectives:
- Discuss the ACIP harmonized schedules for 2011.
- Describe major vaccine specific recommendations that have been changed, expanded, or adjusted.
- Discuss any new vaccines licensed in 2009-2011.
- Briefly discuss the VFC program, eligibility, and available vaccines.
- Describe some of the vaccine storage, handling and administration challenges.
- Describe California school laws. Review the 2011-2012 Tdap requirement, as well as the 2012 7th grade requirement.
- Briefly review any current or late breaking vaccine issues.

Continuing Education Hours:
Approved for CEU Nursing Contact Hours

Registration:
You must contact the Immunization Program at 346-8433 or email aalmagu@sbcphd.org no later than April 29th to register.

Event sponsored by the California Department of Public Health Immunization Branch and the Santa Barbara County Public Health Department Immunization Program
