License, Vaccinate and Microchip Your Dog at the Guadalupe Licensing Clinic

The County of Santa Barbara enforces a zero tolerance policy on all unlicensed dogs. The fine for having an unlicensed dog is $290. The Guadalupe Licensing Clinic provides:
- New dog licenses and renewals.
  A current rabies certificate and written proof that the dog is spayed or neutered are required to obtain an altered dog license. A current rabies certificate is required to obtain an unaltered dog license.
- Affordable vaccinations
  Rabies $6
  DHPP $13
  Bordatella $13
- Microchipping - $30 for licensed dogs
- Information about affordable spay and neuter services.
- All dogs must be on leash. No appointment needed.
- Cash (no bills over $50) and checks accepted. No credit cards/debit cards.

County Animal Services can quickly reunite a lost dog with its family when the dog is wearing a license. A dog license also makes a difference to the less fortunate animals in our community. Revenue from the sale of dog licenses helps Santa Barbara County Animal Services operate three open door shelters. A dog license proves that you are a responsible pet owner and helps the animals at the shelters find loving homes. Show you care. License your dog. It’s the law.
