Air Quality Warning Canceled
White Fire Approaching Containment

SANTA BARBARA, Calif. — The Santa Barbara County Public Health Department and the Santa Barbara County Air Pollution Control District today canceled the Air Quality Warning for Santa Barbara County due to the progress in containment of the White Fire.

There are no air quality advisories in effect at the current time.

Residents are reminded that winds can pick up at any time, and could still produce localized areas of elevated particle levels potentially affecting sensitive individuals.

The agencies will continue to monitor the situation.

For more information see www.OurAir.org, and for recorded advisory updates, call 805-961-8802.
