CatNips 2014 will increase the number of cats that are spayed and neutered in the County and in turn help eliminate hundreds of unwanted kittens coming into our shelters each year. The problem is preventable and the solution is affordable. This special program is targeted to help caring families and individuals who are trying their best to be responsible pet owners by spaying and neutering their companion animals.

Santa Barbara County Animal Services, Santa Maria Valley Humane Society, Santa Ynez Valley Humane Society, Santa Barbara Humane Society, C.A.R.E.4Paws, DAWG, VIVA, and the Santa Barbara County Animal Care Foundation are part of the Responsible Pet Ownership (RPO) Alliance, a coalition of Santa Barbara County animal welfare agencies, shelters, and nonprofit organizations working collaboratively to promote responsible pet ownership and ensure that affordable spay/neuter services are available countywide.
