License, Vaccinate and Microchip Your Dog
PetSafe Licensing Clinic in Goleta

Grab your leash, your four legged friend, and come on down to Santa Barbara County Animal Services’ Project PetSafe Licensing Clinic on Sunday, August 10, 2014, 9 a.m. to 1 p.m. It is part of the Wags n’ Whiskers Festival at Girsh Park, 7050 Phelps Road in Goleta.

State and local laws require all dogs over 4 months to be licensed and wearing the animal license tag. County Animal Services can quickly reunite a lost dog with its family when the dog is wearing a license. Dog owners are responsible for keeping their dog’s license current.

The Goleta/Santa Barbara Licensing Clinic provides:

- Santa Barbara County Dog Licenses
  - A current rabies certificate and written proof that the dog is spayed or neutered are required to obtain an altered dog license. A rabies certificate and a Veterinary Certificate signed by a licensed veterinarian are required to obtain an unaltered dog license.
- Affordable vaccinations:
  - Rabies $6
  - DHPP $13
  - Bordatella $13
- Microchipping - $30 for licensed dogs
- Information about affordable spay and neuter services
- All dogs must be on leash. No appointments needed.
- Cash (no bills over $50) and checks accepted, no debit/credit cards

A dog license also makes a difference to the less fortunate animals in our community. Revenue from the sale of dog licenses helps Santa Barbara County Animal Services operate three shelters that accept all animals brought in. A dog license proves that you are a responsible pet owner and helps the animals at the shelters find loving homes. A license is your pet’s ticket home.
