Resources

Residents Seeking Vaccinations - Individuals seeking a measles vaccination should contact their primary care provider or insurance plan. If you are low income or uninsured and don’t have a regular health care provider, you can get an MMR vaccine from one of these other locations:

Santa Barbara County Health Care Centers / Community Clinics
- Community Health Centers of the Central Coast - www.chccc.org - 1-866-614-4636
- Pacific Central Coast Health Centers – 739-3890 / Guadalupe 343-2004
- Santa Barbara County Health Care Centers (HCC) – www.sbcphd.org/iz
- Carpinteria HCC 560-1050 / Franklin HCC 568-2099 / Lompoc HCC 737-6400 / Santa Maria HCC 346-7230
- Santa Barbara Neighborhood Clinics – www.sbclinics.com - Eastside 963-1641 / Isla Vista 968-1511 / Westside 963-1546

Other Resources for MMR Vaccinations
Several pharmacy and store chains are offering MMR vaccine.

The HealthMap Vaccine Finder is a free online service that helps consumers locate vaccine providers. By entering an address or zip code, you can easily find nearby providers of recommended vaccinations. For more information visit http://vaccine.healthmap.org/

- MMR vaccination is covered by most health insurance plans. Please check with your insurance provider for coverage details.
- The California Vaccines for Children (VFC) Program provides MMR vaccine for eligible children at no cost. Check with your child’s provider to see if they participate in the VFC Program.

General Information Calls About Measles and Vaccinations – The Public Health Department has set up an information phone line for general questions and resource information. The phone line will be answered during regular business hours Monday through Friday. The phone number is: 681-4373.

Healthcare Providers Reporting Suspected Measles Cases – The Public Health Department has a Disease Control & Prevention Office that responds to calls reporting
suspected cases from healthcare providers only on a 24 hour basis. This reporting phone number is 681-5280.

**Seeking State information about Measles** – The California Department of Public Health has recent information about measles across the state. You may access this information via the link [http://www.cdph.ca.gov/HealthInfo/discond/Pages/Measles.aspx](http://www.cdph.ca.gov/HealthInfo/discond/Pages/Measles.aspx)
