Valentine’s Day is a great time to open your heart to a homeless pet. Having a pet in your life has been proven to bring happiness, decrease the risk of cardiovascular disease, all the while reducing blood pressure, cholesterol levels, and loneliness. Santa Barbara County Animal Services has dogs, cats, and rabbits in all shapes, colors, and sizes to give you just the health boost your heart needs.

If your heart and home is currently full, Santa Barbara County Animal Services reminds you that this is a great time to show your pet how much you love them ensuring their license is up to date. A license is your pet’s ticket home! You can also show your pet your love by getting them a microchip; providing your best friend with a permanent form of identification and increasing their chances of making it home should they ever get lost.
