PROJECT PETSAFE BRINGS LICENSING AND LOW-COST VACCINE CLINIC TO GUADALUPE RESIDENTS

(SANTA BARBARA, Calif.) -- Responsible Pet Owners are encouraged to attend the Santa Barbara County Animal Service’s Licensing and Low-cost Vaccine Clinic on Saturday June 10th, 2017. The Licensing and Low-cost Vaccine Clinic will be held from 10 a.m. to 2 p.m., at Jack O’Connell Park in The City of Guadalupe.

Being a responsible pet owner entails keeping your dogs’ license current and vaccinations up to date. For many dog owners, dogs are cherished and loved members of the family, so it is important to help make sure they are free from disease and wearing their Santa Barbara County Animal License Tag. By keeping your pets healthy, it also reduces the risk of exposure to all family members. When your dog is licensed and wearing the animal license tag, they can be quickly reunited with their families.

The Guadalupe Licensing and Low-Cost Vaccine Clinic provides:

- Affordable vaccinations:
  - Rabies $6
  - DHPP $14
  - Bordetella $14
  - FVRCP $14

- Special Discount Microchip - $10
- Spay/Neuter Appointments available at the Santa Maria Animal Center
- Santa Barbara County Dog Licenses
- No appointments needed.
- Cash (no bills over $50) and checks accepted, no debit/credit cards
- All dogs must be on leash, cats in carriers. Cats are welcome.

Project PetSafe is committed to bringing affordable vaccinations, spay/neuter services, and licenses to your community. It is your responsibility to keep your pet(s) license current. A license is your pet’s ticket home in the event the animal is lost.
