Dog licensing fees still apply.

Support Your Shelter Saturday is a great time to adopt a new family member. There is plenty of time to help your new cuddly canine, fluffy feline, or beautiful bunny adjust to their new home before the Holidays. In addition, pets have many health benefits including helping you to fight off those winter blues. With all of the rich foods that tend to be enjoyed throughout December, adopting a new walking companion, also known as a dog, is sure to help you stay healthy while adopting a rabbit will encourage you to eat more fruits and vegetables. Adopting a cat this time of the year has its perks as well; like a built in lap warmer which can help reduce your heating bills.

All three Santa Barbara County Animal Shelters’ are full of amazing animals with a lot of love left to give. This holiday season, when all is focused on giving, open your home to a shelter pet. Giving the gift of a home to a homeless animal is sure to leave you on the receiving end of many things including unconditional love.

All adopted animals include a health check, spay or neuter, applicable vaccinations, and a starter bag of food. You can add a microchip for just $10 at the time of adoption. You will not find a better deal at any other stop!

Make sure a stop at your local shelter is planned for Support Your Shelter Saturday on Saturday, November 25th from 10AM to 4PM at the Santa Maria Animal Center at 548 W.
