I am a Santa Barbara native. Therefore I care deeply for the County and understand the unique nature of the many communities that make up our great region. My family has deep roots in this community. My grandfather, Floyd O. Bohnett was mayor of Santa Barbara in the 1950's. Watching this process and the impact of his position as a young person provides a unique understanding of the importance of the redistricting process and the overall impact that it will have on our County. If selected, I want to use this knowledge and appreciation for each community to ensure every resident has the most appropriate representation at the County level for the next decade.

A committee that focuses on fairness is a rare commodity. If it's done right, district lines will be written fairly and not favor one party or group over the other. Our State and Country are filled with odd-shaped districts because one party was able to draw lines that favored their side. This is a by-product of partisan politics and decisions made by insiders, and that is the reason I am encouraged by the Independent Commission and the opportunity it provides Santa Barbara County. It is also the reason I am applying for, and would like to serve as a member of this commission.

I am a mother of three adult children and four grandchildren, all of whom live in Santa Barbara. I am a licensed Realtor with Village Properties. I am an active participant with the Santa Barbara School District meetings. Our family has been involved with Bohnett Park (named after my grandfather). I have served on the Board of the Westside Boys and Girls Club, next to the Park for many years.

If selected, I am certain that my local experience and dedication to this community will show itself throughout the process.

Thank you for your consideration and I look forward to serving our County and it's residents.

Sincerely,

Lynda Bohnett
