I was born at Cottage Hospital in Santa Barbara and have had the privilege of being a resident of Santa Barbara County my entire life. I grew up in Lompoc and attended school in the Lompoc Unified School District, where I was afforded the incredible opportunity to learn alongside a diverse group of people from multiple racial and economic backgrounds. My family's film and television production company allowed me to travel throughout Santa Barbara County, learning the intricacies of each city and neighborhood while producing documentary content about the area. I have had a detailed knowledge of the geography and demographics of Santa Barbara County for most of my life. I have worked with multiple cultural organizations for the previous 16 years, including close work with a major local charity's education department, helping bring the arts to underserved residents of Santa Barbara County. This included visiting low income school to teach children about visual arts and creativity. Through this I have seen first hand the amazing diversity of our area. I believe I would be a strong, independent voice for this commission, utilizing the knowledge I have attained after spending a lifetime in Santa Barbara County.

11. ADDITIONAL INFORMATION: Give any other relevant information pertaining to your qualifications and experience that bear on your application for the Commission.

I have been a registered voter in Santa Barbara County since I was 18 and have cast a ballot in every local, state and federal election since 2005. I have prided myself on my independent values and ability to look at both sides fairly. I believe that every citizen should have an equal opportunity to have their voice and vote heard and that our districts should be fairly drawn to match that idea
