10. EXPERIENCE: Please explain why you are interested in serving and what experience you bring to the Commission. Attach an additional page if necessary.

I grew up on the Central Coast and attended Cuesta College and Cal Poly, where I graduated with a BA in Political Science. I own Applied Imaginations, Inc. and two subsidiary manufacturing companies that are located in Santa Maria, including Pond Armor that I founded in 2005.

Previously I successfully founded, grew and sold three businesses. The first was a retail store in downtown San Luis Obispo, and then two vocational rehabilitation schools, one for computers and one for child care, that each grew to multiple locations throughout Santa Barbara County and San Luis Obispo County. Between founding those businesses, I successfully reorganized and grew a failing medium sized publishing company in Chicago, more than tripling its revenue and bringing it to a state of profitability in two years.

My additional professional and community involvement includes:

In 2003 I was appointed to the Advisory Committee for the State of California Department of Consumer Affairs Bureau for Private Postsecondary and Vocational Education, a position I continued to hold until I resigned after I sold my vocational businesses.

In 2005 I was appointed to the Santa Maria Block Grants Advisory Committee and served until May of 2014. I was Chair of the Committee from 2008 to 2010 and served again in this capacity in 2012.

I am a 2008 graduate of the Leadership Santa Maria Valley program.

In 2009 I was appointed to the Housing Authority of the County of Santa Barbara (HASBC) as its Commissioner representing the 5th District and was Chair in 2012.

In 2010 I joined the Board of Directors for the Pacific Conservatory of the Performing Arts (PCPA) Foundation.

In 2013 I was appointed to the Santa Maria Planning Commission, where I currently sit and have been Chair multiple times.

In addition: I have served as a Board member of the Northern Santa Barbara County United Way as well as Chair of its Santa Maria Advisory Council Team. I am a member of the class of 2009 Federal Bureau of Investigation Citizen's Academy.

I believe that being locally raised, my education, my decades in business, and experience on the Santa Maria Planning Commission, Santa Maria Block Grants Advisory Committee as well as various community service related organizations allows me to bring a diverse set of skills that would be of benefit to the Santa Barbara County Redistricting Commission.

11. ADDITIONAL INFORMATION: Give any other relevant information pertaining to your qualifications and experience that bear on your application for the Commission.

I was born, raised and educated on the Central Coast. This is where my wife and I continue to live, own a home, and where we both own and operate businesses. I fully comprehend the importance of the redistricting process and the impact that it will have on our region and the communities within. For this reason, it is my desire to use my experience and knowledge of Santa Barbara County in a manner that benefits the commission as well as the future of our County.
