My belief in the importance of protecting the democratic process of voting and ensuring that all residents of the county are represented during critical decision-making processes guides my interest in serving on the Santa Barbara County Redistricting Commission. I bring varied experience in both my professional and personal background that would be an asset to the role. Professionally I have years of work experience in financial management and data analysis. Locally I work at the University of California, Santa Barbara, where I have conducted campus-wide projects to enhance student access and services for underrepresented student groups and manage financial budgets over fifty million dollars annually. In my role as a senior financial analyst, I display critical thinking skills, attention to detail, establishing policies and internal controls, analysis of complex data, and communication with senior leadership on impactful campus decisions. I have additional experience on campus working with and on boards as I currently sit on the University Student Center Governance Board (UCEN) and the Chancellor's Staff Advisory Council (CSAC). As a member of the UCEN Governance Board, I am the staff voting representative, and I provide financial guidance and expertise to help the board with the operating budget, capital expenditures, and operating policies for the year. My role in CSAC allows me to contribute to campus-wide policy analysis and creation as we address issues that affect staff employees. Our latest project work reviewed and expanded work from home and flexible work arrangement policies ahead of the pandemic. As part of my community volunteer work, I currently preside as the Vice President and board member for the Martin Luther King Jr. Committee of Santa Barbara (MLKSB). In my role with MLKSB, I have organized, planned, and conducted various programs and outreach initiatives in the Santa Barbara community celebrating the legacy of Dr. Martin Luther King Jr. every January. These celebrations have allowed me to work with community members and leaders to address divisive topics and provide solutions that they have expressed were missing in program education within the county. I appreciate the opportunity to apply for this vitally important role with the commission, and I look forward to contributing to the work of its mission.
