

HEALTH OFFICER ORDER NO. 2020-12.5  
COUNTY OF SANTA BARBARA

FOR THE CONTROL OF COVID-19  
PHASED REOPENING WITHIN SANTA BARBARA COUNTY

Health Officer Order No. 2020-12.5 Supersedes and Replaces Health Officer Order  
No. 2020-12.4

Effective Date: July 14, 2020, 5:00 p.m. PDT

(Changes are underlined.)

**Please read this Order carefully.** Violation of or failure to comply with this Order may constitute a misdemeanor punishable by fine of up to \$1,000, imprisonment, or both. (Health and Safety Code §§ 101029, 120295 et seq.) Violators are also subject to civil enforcement actions including fines or civil penalties per violation per day, injunctive relief, and attorneys' fees and costs.

This Health Officer Order No. 2020-12.5 supersedes and replaces Health Officer Order No. 2020-12.4 that was effective July 6, 2020. Nothing in this Health Officer Order No. 2020-12.5 supersedes State Executive Orders or State Health Officer Orders. COVID-19 industry specific guidance provided by the California Department of Public Health is available at: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Guidance.aspx#>

**Summary: As required by the State Public Health Officer Order of July 13, 2020, this Health Officer Order orders closure of indoor operations for: gyms and fitness centers; places of worship; protests; offices for non-essential critical infrastructure sectors defined at covid19.ca.gov; personal care services (including nail salons, massage parlors, and tattoo parlors); hair salons and barbershops; and malls as listed in Attachment A. These Businesses may operate outdoors if they follow industry-specific State guidance including the use of face coverings and social distancing. Businesses that must stay closed and are not allowed to reopen physical locations at this time are listed in the Attachment A. This Order reaffirms the reopening of some, but not all, Businesses (as defined) within the County of Santa Barbara. Businesses allowed to reopen must comply with requirements to protect against COVID-19 and social distancing.**

WHEREAS, on March 4, 2020, Governor Newsom declared a state of emergency for conditions caused by a novel coronavirus, COVID-19, and on March 11, 2020, the World Health Organization declared COVID-19 a global pandemic, and on March 12, 2020, the County of Santa Barbara declared a local emergency and a local health emergency in relation COVID-19 in the community; and

WHEREAS, in the County of Santa Barbara as well as throughout California and the nation, there are insufficient quantities of critical healthcare infrastructure, including hospital beds, ventilators and workers, capable of adequately treating mass numbers of patients at a single time – should the virus spread unchecked; and

WHEREAS, in direct response to the lack of healthcare infrastructure, governments across the nation are taking actions to slow the spread of COVID-19 in order to “flatten the curve” of infection and reduce the numbers of individuals infected at any one time by minimizing situations where the virus can spread; and

WHEREAS, in furtherance of this effort, on March 19, 2020, Governor Newsom issued Executive Order N-33-20 requiring all persons residing in the State to remain in their homes or places of residence, except as needed to maintain the continuity of operations for critical infrastructure (the “State Stay-at-Home Order”); and

WHEREAS, also on March 19, 2020, the State Public Health Officer ordered all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain continuity of operations for the federal critical infrastructure sectors, which was updated on March 28, 2020; and

WHEREAS, on March 20, 2020, the State Public Health Officer designated a list of Essential Critical Infrastructure Workers, to help state, local, tribal, and industry partners as they work to protect communities, while ensuring continuity of functions critical to protect public health and safety, which was updated on March 22, 2020; and

WHEREAS, on May 4, 2020, Governor Newsom issued Executive Order N-60-20 to allow reopening of lower-risk businesses and spaces (“Stage Two”), and then to allow reopening of higher-risk businesses and spaces (“Stage Three”) and to allow a County to pursue a variance to move further into the stages upon notification and certification of a written attestation to the California Department of Public Health (CDPH); and

WHEREAS on May 7, 2020, the State Public Health Officer ordered that upon certification a County may move through the stages of reopening at their own pace as long as the sectors are given guidance from the State about reopening requirements; and

WHEREAS, on May 20, 2020, the CDPH approved and posted to the State’s website the County of Santa Barbara’s Variance Attestation allowing the County to move through the stages; and

WHEREAS, the CDPH issued guidance regarding various businesses and activities including for places of worship and providers of religious services and cultural ceremonies, hair salons and barbershops, schools and school-based programs; childcare; day camps; casinos operated by sovereign tribal nations; music, film and television production; professional sports without live audiences; campgrounds, RV Parks and outdoor recreation; hotels; cardrooms, satellite wagering facilities and racetracks; family entertainment centers; restaurants, bars and wineries; fitness facilities, museums, zoos, aquariums and galleries; extended personal care services; and

WHEREAS, on July 1, 2020, CDPH instructed counties which had been on State’s County Monitoring list for more than three consecutive days to immediately close all bars, breweries, pubs and brewpubs, as well as indoor operations of Businesses for specified industries and sectors. On July 6, 2020, the County of Santa Barbara had been on the State’s County Monitoring list for 21 days and complied with CDPH’s instruction; and

WHEREAS, on July 13, 2020, the State Public Health Officer ordered counties which have been on the State's County Monitoring list for more than three consecutive days to close indoor operations of: gyms and fitness centers; places of worship; protests; offices for non-essential critical infrastructure sectors defined at covid19.ca.gov; personal care services (including nail salons, massage parlors, and tattoo parlors); hair salons and barbershops; and malls, attached hereto as Attachment C and incorporated by this reference. As of July 14, 2020, the County of Santa Barbara has been on the State's County Monitoring list for 29 days. Therefore, this Order is closing indoor operations of gyms and fitness centers; places of worship; protests; offices for non-critical infrastructure sectors defined at covid19.ca.gov; personal care services (including nail salons, massage parlors, and tattoo parlors); hair salons and barbershops; and malls. Indoor operation of these Businesses have been found to promote the mixing of populations beyond households which leads to an increase in community spread of COVID-19; and

WHEREAS, on July 13, 2020, CDPH mandated that all CDPH industry or sector guidance issued to date must be followed including all infectious control measures, and the use of face coverings both indoors and outdoors in certain settings; and

WHEREAS, the County Health Officer finds: (1) the County has received repeated reports that some businesses have refused to comply with the State Stay-at-Home Order and State guidance; (2) the reported activities are inconsistent with the State Stay-at-Home Order and/or Stage Two or Stage Three of the California Resilience Roadmap; (3) guidance for businesses is required to prevent the potential increased spread of COVID-19 which would add strain to the County of Santa Barbara health care system; (4) without the guidance and restrictions described herein some businesses are likely to continue to impair efforts at mitigating the spread of the illness both within the County and statewide; and (5) distinctions made in this Order are to minimize the spread of COVID-19 that could occur through proximity and duration of contact between individuals; and

WHEREAS, the intent of this Order is to order businesses in the County of Santa Barbara regarding operations under the State Stay-at-Home Order and the Stage Two and Stage Three of the California Resilience Roadmap, and to slow the spread of COVID-19 to the maximum extent possible. All provisions of this Order should be interpreted to effectuate this intent.

**ACCORDINGLY, UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, TITLE 17 CALIFORNIA CODE OF REGULATIONS SECTION 2501, THE HEALTH OFFICER OF THE COUNTY OF SANTA BARBARA ORDERS:**

1. This Order 2020-12.5 is effective 5:00 p.m. (PDT) July 14, 2020 and continuing until 5:00 p.m. (PDT), on August 12, 2020 or until it is extended, rescinded, superseded, or amended in writing by the County of Santa Barbara Health Officer ("Health Officer"). This Order applies in the incorporated and unincorporated areas of Santa Barbara County ("County").
2. "Business" or "Businesses" for the purpose of this Health Officer Order is defined to mean any institution, establishment, public or private agency, for-profit, non-profit, or educational entity, whether an organization, corporate entity, partnership, or sole proprietorship.

3. All Businesses except those listed in Attachment A, as attached hereto and incorporated by this reference, may remain open or open, upon completion of, and in accordance with all of the following:
  - a. Perform a detailed risk assessment including reviewing State and local guidance relevant to the Business and create a site-specific protection plan;
  - b. Train employees about how to limit the spread of COVID-19 including how to screen themselves for COVID-19 symptoms and when to stay home. COVID-19 symptoms are described in Attachment B;
  - c. Set up individual control measures and screenings;
  - d. Put disinfection protocols in place;
  - e. Observe "Face Covering" orders in effect from the local health officer and/or the California Department of Public Health;
  - f. If operating outdoors, a tent, canopy, or other sun shelter may be used as long as the sides are not closed;
  - g. Complete the RISE attestation, including its social distancing protocol, and self-certification process at: <https://recoveryabc.org/reopen-your-business/>. (if a Business does not have access to the internet it can call 833-688-5551); and
  - h. Post the self-certification at the Business location.
4. **Emergency Food Permit.** Breweries, bars, brewpubs, pubs, wineries, and tasting rooms that serve alcoholic beverages but that do not have an on-site permitted food facility and would like to serve food:
  - a. Must obtain an Emergency Food Permit issued by the Santa Barbara County Health Department to temporarily serve food.
  - b. A brewery, bar, brewpub, pub, winery, or tasting room in possession of an Emergency Food Permit issued by the Santa Barbara County Health Department may continue to temporarily serve food at their discretion, unless otherwise suspended, revoked, or terminated.
  - c. A brewery, bar, brewpub, pub, winery, or tasting room in possession of an Emergency Food Permit issued by the Santa Barbara County Health Department may cease operations of food service at their discretion, but in doing so may be subject to closure of the physical location.
5. Businesses that must keep physical locations closed are listed in Attachment A, as attached hereto and incorporated by this reference. Businesses listed in Attachment A may continue to provide services so long as those services can be provided remotely and without individuals physical present at the Business location, unless an exception applies. Maintenance to prevent property damage of the Businesses listed in Attachment A is allowed. This list may be amended from time to time, as required for our region's response to COVID-19.
6. **Gatherings are not allowed.** As required by the State Public Health Officer Order of July 13, 2020, all gatherings are prohibited unless otherwise excepted.

- a. A “gathering” is any event or convening that brings together people in a single room or single space at the same time, such as an auditorium, stadium, arena, large conference room, meeting hall, cafeteria, or any other indoor or outdoor space.
- b. This restriction applies to all non-essential professional, social, and community gatherings regardless of their sponsor. Gatherings that do not meet the aforementioned definition should only be conducted when they are essential—that is, if the activity is essential and could not be postponed or achieved without gathering, meaning that some other means of communication could not be used to conduct the essential function.

**IN ADDITION TO THE ABOVE ORDER THE HEALTH OFFICER STRONGLY RECOMMENDS** that retailers designate specific hours of operation for their stores to accommodate populations at high risk of developing severe COVID-19 disease, such as persons over the age of 65 years.

This Order is issued as a result of the worldwide pandemic of COVID-19 which has infected at least 13,365,559 individuals worldwide, in 213 countries and territories, including 4140 cases, and 31 deaths in the County, and is implicated in over 578,316 worldwide deaths.

This Order is issued based on evidence of continued community-based transmission of COVID-19 both within the County and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, as well as best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19.

This Order is issued because of the propensity of the virus to spread person to person and also because the virus physically is causing property loss or damage due to its proclivity to attach to surfaces for prolonged periods of time.

This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. As the presence of individuals increases, the difficulty and magnitude of tracing individuals who may have been exposed to a case rises exponentially.

This Order is issued in accordance with, and incorporates by reference: the March 4, 2020 Proclamation of a State Emergency issued by Governor Gavin Newsom; the March 12, 2020 Declaration of Local Health Emergency and Proclamation of Emergency based on an imminent and proximate threat to public health from the introduction of novel COVID-19 in the County; the March 17, 2020 Resolution of the Board of Supervisors ratifying the County Declaration of Local Health Emergency and Proclamation of Emergency regarding COVID-19; the guidance issued on March 11, 2020 by the California Department of Public Health regarding large gatherings of 250 people or more; Governor Gavin Newsom’s Executive Order N-25-20 of March 12, 2020 preparing the State to commandeer hotels and other places of temporary residence, medical facilities, and other facilities that are suitable as places of temporary residence or medical facilities

as necessary for quarantining, isolating or treating individuals who test positive for COVID-19 or who have had a high-risk exposure and are thought to be in the incubation period; the March 13, 2020 Presidential Declaration of a National Emergency due to the national impacts of COVID-19; the guidance issued on March 15, 2020 by the Centers for Disease Control and Prevention, the California Department of Public Health, and other public health officials through the United States and around the world recommending the cancellation of gatherings involving more than fifty (50) or more persons in a single space at the same time; the March 16, 2020 order of the State Public Health Officer prohibiting all gatherings with expected presence above ten (10) individuals; Governor Newsom's Executive Order N-33-20 of March 19, 2020 ordering all persons to stay at home to protect the health and well-being of all Californians and to establish consistency across the state in order to slow the spread of COVID-19; the March 22, 2020, Presidential Declaration of a Major Disaster in California beginning on January 20, 2020 under Federal Emergency Management Agency (FEMA) Incident DR-4482-CA; and, Governor Newsom's Executive Order N-60-20 of May 4, 2020 to allow reopening of lower-risk businesses and spaces ("Stage Two"), and then to allow reopening of higher-risk businesses and spaces ("Stage Three"), and directing the Public Health Officer to establish criteria and procedures to determine whether and how particular local jurisdictions may implement public health measures that depart from the statewide directives of the State Public Health Officer; the July 13, 2020 State Public Health Officer Order.

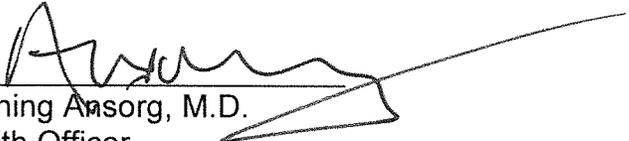

This Order is made in accordance with all applicable State and Federal laws, including but not limited to: Health and Safety Code sections 101040 and 120175; Health and Safety Code sections 101030 et seq., 120100 et seq.; and Title 17 of the California Code of Regulations section 2501.

If any provision of this Order or the application thereof to any person or circumstance is held to be invalid by a court of competent jurisdiction, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

The violation of any provision of this Order constitutes a threat to public health. Pursuant to Government Code sections 26602 and 41601 and Health and Safety Code sections 101029 and 120295, the Health Officer requests that the Sheriff and all chiefs of police in the County ensure compliance with and enforce this Order. Per Health and Safety Code section 101029, "the sheriff of each county, or city and county, may enforce within the county, or the city and county, all orders of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease. Every peace officer of every political subdivision of the county, or city and county, may enforce within the area subject to his or her jurisdiction all orders of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease. This section is not a limitation on the authority of peace officers or public officers to enforce orders of the local health officer. When deciding whether to request this assistance in enforcement of its orders, the local health officer may consider whether it would be necessary to advise the enforcement agency of any measures that should be taken to prevent infection of the enforcement officers."

Copies of this Order shall promptly be: (1) made available at the County Public Health Department; (2) posted on the County Public Health Department's website (publichealthsb.org); and (3) provided to any member of the public requesting a copy of this Order.

IT IS SO ORDERED:

Henning Ansorg, M.D.  
Health Officer  
Santa Barbara County Public Health Department

**ATTACHMENT A**  
**HEALTH OFFICER ORDER NO. 2020-12.5**  
**COUNTY OF SANTA BARBARA**

**Businesses that Must Keep Physical Locations Closed**

1. Amphitheaters, concert halls and venues, performing arts centers
2. Amusement and theme parks
3. Arenas
4. Banquet halls
5. Barbershops and Hair Salons, except outdoor operations, if outdoor operations are allowed by the licensing or permitting authority.
6. Brewpubs, breweries, bars, and pubs must close until those establishments are allowed to resume operation per state guidance and local permission, unless they are providing sit-down, dine-in meals. Alcohol may only be sold in the same transaction as a meal.
  - a. Brewpubs, breweries, bars, and pubs that provide sit-down meals must follow the CDPH dine-in restaurant guidance, shall offer only outdoor dining, and should continue to encourage takeout and delivery service whenever possible.
  - b. Brewpubs, breweries, bars, and pubs that do not provide sit-down meals, but wish to operate under this Order must obtain an Emergency Food Permit as described above.
  - c. Venues that are currently authorized to provide off sale beer, wine, and spirits to be consumed off premises and do not offer sit-down, dine-in meals shall follow CDPH guidance for retail operations.
  - d. Producers of beer, wine, and spirits must follow CDPH guidance for manufacturing operations.
  - e. Brewpub, breweries, bars and pubs must offer foodservice during all hours of operation.
  - f. This Section 5 applies to bars located at permitted food facilities.
7. Cardrooms, except outdoor operations
8. Climbing gyms
9. Community centers
10. Conference and convention centers
11. Dance halls, dances
12. Dine-in Restaurants, except outdoor dining, take-out and delivery
13. Fairs, festivals, public exhibitions
14. Family Entertainment Centers (for example: bowling alleys, miniature golf, batting cages and arcades) except outdoor operations
15. Fitness centers, gyms, and studios including but not limited to those for dance, yoga, pilates, crossfit, cycling, boxing, and martial arts, except outdoor operations

16. In-person higher education including technical schools, colleges, universities, adult education, and trade schools (distance learning is permitted)
17. Live performance venues, live theatre, and live performances
18. Lounges
19. Malls, except outdoor operations
20. Movie theatres, except outdoor operations
21. Museums, except outdoor exhibits and operations
22. Music events, concerts
23. Nightclubs including private social clubs
24. Offices for non-essential critical infrastructure sectors, defined at [covid19.ca.gov](https://covid19.ca.gov), except outdoor operations
25. Indoor paintball, laser tag, or air soft facilities
26. Parties and Receptions. Outdoor wedding ceremonies (religious or non-religious) are permitted so long as the July 6, 2020 CDPH guidance for Places of Worship and Providers of Religious Services available at <https://covid19.ca.gov/pdf/guidance-places-of-worship.pdf/> is followed. Indoor ceremonies are not allowed at this time. Occupancy at outdoor venues is limited by the natural limits of the venue that permit social distancing of six feet between people from different households. Receptions for weddings are not allowed.
27. Personal Care Services (including nail salons, massage parlors, and tattoo parlors), except outdoor operations, if outdoor operations are allowed by the licensing or permitting authority.
28. Places of Worship, except outdoor operations
29. Playgrounds
30. Protests, except outdoor operations
31. Raceways
32. Rodeos, equestrian events
33. Roller derby
34. Skating rinks, such as ice and roller, except outdoor operations (These facilities may operate on a reservation or appointment-only basis for individual physical fitness activities or skills training following the guidance provided for gyms and fitness centers. No open (public) skating, group practices or team / club events are allowed. All indoor operations must close.)
35. Saunas and steam rooms
36. Organized sports (except professional sports without a live audience)
37. Sports stadiums and facilities (except as necessary for professional sporting events without live audiences)
38. Trampoline and bounce houses
39. Wineries and tasting rooms, except outdoor operations
40. Zoos, except outdoor exhibits and operations

**HEALTH OFFICER ORDER NO. 2020-12.5  
COUNTY OF SANTA BARBARA**

### **COVID-19 SELF-EVALUATION**

The County Health Officer has defined COVID-19 symptoms as follows:

**Mild to Moderate Symptoms Related to or  
Other Respiratory Illness such as:**

Sore Throat

Runny Nose

Fever

Chills

Not Feeling Well

Sneezing

Coughing

**Gastro-Intestinal symptoms such as:**

Soft Stool

Stomach Cramps

New loss of smell and/or taste

SONIA Y. ANGELL, MD, MPH  
State Public Health Officer & Director

State of California—Health and Human Services Agency  
California Department of Public Health

GAVIN NEWSOM  
Governor

**Statewide Public Health Officer Order,  
July 13, 2020**

On March 19, 2020, I issued an order directing all individuals living in the State of California to stay at home except as needed to facilitate authorized, necessary activities or to maintain the continuity of operations of critical infrastructure sectors. I then set out California's path forward from this "Stay-at-Home" Order in California's Pandemic Resilience Roadmap. On May 7<sup>th</sup>, I announced that statewide data supported the gradual movement of the entire state into Stage 2 of the Pandemic Resilience Roadmap. On May 8<sup>th</sup>, the Governor outlined a process where counties that met specific criteria could move more quickly than other parts of the state through Stage 2 of modifying the Stay-at-Home order, including certain businesses deemed higher risk.

The statewide data has since demonstrated a significant increase in the spread of COVID-19, resulting in public health conditions that demand measures responsive to those conditions be put into place with haste. On June 28, 2020, the California Department of Public Health (CDPH) issued guidance setting forth the need to close bars and similar establishments in counties that – due to concerning levels of disease transmission, hospitalizations, or insufficient testing – had been on the County Monitoring List, which includes counties that show concerning levels of disease transmission, hospitalizations, insufficient testing, or other critical epidemiological markers, for 14 days. On July 1, 2020, CDPH issued guidance specific to counties on the County Monitoring List for three consecutive days, requiring closure of the indoor operations of various sectors, including restaurants, wineries, and certain entertainment venues, as well as all bars indoor and outdoor. Based on my judgment as the State Public Health Officer, it is now necessary to take these steps statewide, to take additional steps for counties on the County Monitoring List, and to continue to monitor and modify the process of reopening.

The current data reflect that community spread of infection is of increasing concern across the state. On July 1, 2020, there were 19 counties on the County Monitoring List. As of July 13, 2020, there are 32 counties on the list, and additional counties may soon be added as data warrants. In addition to the impact on the general population, community spread increases the likelihood of expanded transmission of COVID-19 in congregate settings such as nursing homes, homeless shelters, jails and prisons. Infection of these vulnerable populations in these settings can be catastrophic. Higher

levels of community spread also increase the likelihood of infection among individuals at high risk of serious outcomes from COVID-19, including the elderly and those with underlying health conditions who might live or otherwise interact with an infected individual.

The Pandemic Resilience Roadmap classifies bars, pubs, breweries, brewpubs, dine-in restaurants, wineries and tasting rooms, family entertainment centers, zoos, museums, and cardrooms as Stage 2 or Stage 3 sectors with high risk of transmission due to a number of features of the businesses and the behaviors that occur within them. Public health studies have shown that the risk of transmission is exacerbated in indoor spaces, particularly when lacking appropriate ventilation. These sectors are settings where groups convene and may mix with others for a prolonged period of time, increasing the risk of escalating the transmission rate of COVID-19. While physical distancing is critical to mitigating exposure, it is more effective at protecting an individual with brief exposures or outdoor exposures. In contrast to indoor spaces, wind and the viral dilution in outdoor spaces can help reduce viral load.

Bars, both indoor and outdoor, have additional risk factors. A bar, foundationally, is a social setting where typically not only small groups convene, but also where groups mix with other groups. Bars also have an added risk imposed by the consumption of alcohol as a primary activity offered in such venues. Alcohol consumption slows brain activity, reduces inhibition, and impairs judgment, factors which contribute to reduced compliance with recommended core personal protective measures, such as the mandatory use of face coverings and maintaining six feet of distance from people in different households, both indoors and outdoors. Louder environments and the cacophony of conversation that are typical in bar settings also require raised voices and greater projection of orally emitted viral droplets.

For counties on the County Monitoring List, the risks and impacts of disease transmission are even greater. The science suggests that for indoor operations the odds of an infected person transmitting the virus are dramatically higher compared to an open-air environment. Thus, for those counties on the list, it is necessary to close indoor operations for additional sectors which promote the closed-space mixing of populations beyond households and/or make adherence to physical distancing with face coverings difficult, including: gyms and fitness centers, places of worship, protests, offices for non-Critical Infrastructure sectors as designated on [covid19.ca.gov](https://www.covid19.ca.gov), personal care services (including nail salons, massage parlors, and tattoo parlors), hair salons and barbershops, and malls.

///  
///  
///  
///  
///  
///

NOW, THEREFORE, I, as State Public Health Officer and Director of the California Department of Public Health, order all of the following:

**Statewide Order Relative to Bars, Pubs, Brewpubs, and Breweries**

1. Bars, pubs, brewpubs, and breweries, whether operating indoors or outdoors, shall be closed across the state, unless an exception below applies.

- a. Bars, pubs, brewpubs, and breweries, may operate outdoors if they are offering sit-down, outdoor, dine-in meals. Alcohol can be sold only in the same transaction as a meal. When operating outdoors, they must follow the dine-in restaurant guidance and should continue to encourage takeout and delivery service whenever possible.
- b. Bars, pubs, brewpubs, and breweries that do not provide sit-down meals themselves, but can contract with another vendor to do so, can serve dine-in meals when operating outdoors provided both businesses follow the dine-in restaurant guidance and alcohol is sold only in the same transaction as a meal.
- c. Venues that are currently authorized to provide off sale beer, wine, and spirits to be consumed off premises and do not offer sit-down, dine-in meals must follow the guidance for retail operations and offer curbside sales only.
- d. Concert, performance, or entertainment venues must remain closed until they are allowed to resume modified or full operation through a specific reopening order or guidance. Establishments that serve full meals must discontinue this type of entertainment until these types of activities are allowed to resume modified or full operation.

2. Indoor operations shall be restricted across the state as specified below:

- a. Dine-in restaurants must close indoor seating to customers. During this closure all dine-in restaurants may continue to utilize outdoor seating and must comply with the guidance for outdoor dining. Restaurants should continue to encourage takeout and delivery service whenever possible.
- b. Wineries and tasting rooms must close indoor services to customers. During this closure all wineries and tasting rooms operating outdoors must comply with the guidance for restaurants, wineries, and bars.
- c. Family entertainment centers and movie theaters must close indoor services and attractions to customers.
  1. Family entertainment centers may continue to provide outdoor services and attractions to customers, and must comply with the guidance for movie theaters and family entertainment centers.

2. Drive-in movie theaters may continue to operate and should follow additional applicable guidance for drive-in movie theaters.
- d. Indoor attractions at zoos and museums must close to visitors.
  1. Zoos and museums may continue to operate outdoor attractions and must follow the guidance for zoos and museums.
- e. Cardrooms must close indoor services to customers and must follow the guidance for cardrooms.

### **Order for Closure of Additional Indoor Sectors for Counties on Monitoring List**

3. Counties that currently appear on CDPH's County Monitoring List and have been on the list for three consecutive days, and counties that subsequently appear for three consecutive days or more while this order remains effective, must close all indoor operations of the following types of businesses/events/activities:

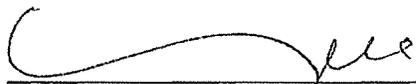

- a. Gyms and Fitness Centers
- b. Places of Worship
- c. Protests
- d. Offices for Non-Critical Infrastructure Sectors
- e. Personal Care Services (including nail salons, massage parlors, and tattoo parlors)
- f. Hair salons and barbershops
- g. Malls

### **Terms of Orders**

4. This order shall go into effect immediately.
5. These closures shall remain in effect until I determine it is appropriate to modify the order based on public health conditions.
6. Outdoor operations may be conducted under a tent, canopy, or other sun shelter but only as long as no more than one side is closed, allowing sufficient outdoor air movement.
7. I will continue to monitor the epidemiological data and will modify the sectors that may be open both statewide and in counties on the Monitoring List as required by the evolving public health conditions. If I determine that it is appropriate to reopen, close, or modify the operations of any additional sectors, those sectors will be posted at: <https://covid19.ca.gov/roadmap-counties/>.
8. My guidance mandating the wearing of face coverings and my guidance prohibiting gatherings continue to apply statewide, except as specifically permitted in other orders or guidance documents. To prevent further spread of COVID-19 to and within other

jurisdictions within the State, Californians should not travel significant distances and should stay close to home.

9. This order is issued pursuant to the authority under EO N-60-20, and Health and Safety Code sections 120125, 120130(c), 120135, 120140, 120145, 120150, 120175, 120195 and 131080.
