**Provider Alert: Phase 1a COVID Vaccinations
Available at Local Pharmacies**
January 13, 2021

In an effort to reach the greatest proportion of Phase 1a populations in Santa Barbara County, the Public Health Department has partnered with local pharmacies to provide COVID-19 vaccine to phase 1a populations. This partnership will provide direct access to COVID-19 vaccine through appointment registration at any pharmacy listed below.

Additionally, Santa Barbara County Public Health Department continues to operate weekly PODs. Organizations and entities that are in one of the tiers described in the CDPH guidance listed below can access the PHD PODs for themselves and their staff by completing the information requested in this survey link:

<https://app.smartsheet.com/b/form/edbc494dd2814534818b59b4ec57dab6>

Tier 1

- Acute care, psychiatric and correctional facility hospitals
- Skilled nursing facilities, assisted living facilities, and similar settings for older or medically vulnerable individuals
- Also, in concordance with ACIP, residents in these settings
- Paramedics, EMTs and others providing emergency medical services
- Dialysis centers

Tier 2

- Intermediate care facilities for persons who need non-continuous nursing supervision and supportive care
- Home health care and in-home supportive services
- Community health workers, including promotoras
- Public health field staff
- Primary Care clinics, including Federally Qualified Health Centers, Rural Health Centers, correctional facility clinics, and urgent care clinics

Tier 3

Other settings and health care workers, including

- Specialty clinics
- Laboratory workers
- Dental and other oral health clinics
- Pharmacy staff not working in settings at higher tiers
