WHEREAS, pursuant to California Government Code section 54985, County Board of Supervisors of each County shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing a product or service; and

WHEREAS, the fees proposed in the fee schedule established by Ordinance will recover a portion of the costs of administering the Local Enforcement Agency program within the County; and

WHEREAS, the present fees for administration of the Local Enforcement Agency program have remained unchanged since the adoption of Ordinance 4796, effective October 1, 2011; and

WHEREAS, pursuant to Government Code section 54986, the County of Santa Barbara has in connection with the above fees, held a public hearing as part of a regularly scheduled meeting and published notice of the meeting, including a general description of the matter to be considered, in accordance with Government Code §6062a; and

WHEREAS, the Board of Supervisors finds that the fees set forth in this Ordinance are exempt from CEQA review pursuant to 14 CCR 15273 and Public Resources Code §21080, subd. (b)(8)(A) and (B) in that the fees will be used for operating expenses and for the purchase of supplies, equipment or materials; and

WHEREAS, the fees may be revised as needed by the Santa Barbara County Board of Supervisors, and if the revision does not occur, the existing fees shall remain in effect.

Fees that are invoiced by Environmental Health Services as outlined in this fee schedule, which are not paid by the due date on the invoice shall be considered delinquent, and the following additional charges added:

A. During the first thirty days of delinquency, any unpaid portion of the permit fee will have a penalty of 10% assessed.

B. After thirty days of delinquency, an additional penalty of 15% of the unpaid balance will be assessed and a Final Notice will be issued.

C. If the fee, and any penalty assessed pursuant to this Ordinance, is not paid within two weeks from the date on the Final Notice, the unpaid balance may be referred to the Santa Barbara County Treasurer/Tax Collector’s office or the County’s contracted collection agency for collection. In addition to the fee(s) and any penalties associated with delinquent fee(s) as described above, accounts referred for collection shall be charged for the actual cost associated with collection efforts. The delinquency fees are in addition to any other remedies available to the County.

D. If any person required to pay a fee pursuant to this Ordinance has an outstanding balance due for any service rendered by Environmental Health Services, any past due amount shall be paid before Environmental Health Services will approve a subsequent application from that person or renewal of an existing permit for that person, unless such past due amount is waived or reduced as provided in this Ordinance.
7. Contest of Charges

Any person required to pay fees pursuant to this Ordinance may file a written notice of contest of fees accompanied by such materials as will support the claim for relief, including payment in full as invoiced, with the Director (or designee) of Environmental Health Services Division for determination of the correct amount of fees due under this Ordinance.

Such written notice shall be filed with said Director (or designee) within 45 days after mailing or personal delivery of the fee invoice or other notification of fees due. This period may be extended by the Director upon a showing of good cause. Upon receipt of such written notice of contest of fees, the Director (or designee) shall make a decision on said contested fees. The decision shall be final with no further right of review. Failure to include payment in full as invoiced will result in denial of review.

Refunds made as a result of this process shall be paid by Environmental Health Services and shall not include interest.

8. Fee Waiver

Any person required to pay fees or charges pursuant to this fee Ordinance may file a written application, including payment in full as invoiced, with the Board of Supervisors for a waiver or reduction of any said fees, or any part thereof. The Board of Supervisors may waive or reduce the fees to the extent permitted by law and public policy, upon a showing of good cause by the applicant. The application shall be filed with the Clerk of the Board of Supervisors within 45 days after mailing or personal delivery of the fee invoice. Failure to include payment in full as invoiced will result in denial of review.

Refunds made as a result of this process shall be paid by Environmental Health Services and shall not include interest.
