Public Notice

Tajiguas Resource Recovery Project and Sanitary Landfill
Solid Waste Facility Permit (SWFP) #42-AA-0015
14470 Calle Real, Goleta, CA 93117

Joint Technical Document Amendment
Received from the Santa Barbara County Public Works Department
Resource Recovery and Waste Management Division
(Public Works) on September 14, 2018

The operator, Public Works, requests an amendment of the Joint Technical Document (JTD) for the relocation of the facilities associated with the approved but not yet constructed Tajiguas Resource Recovery Project (TRRP). Changes involve relocation within the existing permitted boundary of the TRRP facilities, primarily the Anaerobic Digestion Facility, updates to the Liner and Leachate Control and Removal Systems, expansion of the Landfill Gas Extraction System, including text, figures, drawings and other miscellaneous updated information. The changes do not significantly affect operations as described in the prior version of the JTD.

Environmental Health Services (EHS) as the Local Enforcement Agency (LEA) under the California Department of Resources, Recycling and Recovery (CalRecycle) accepted the Application for filing on October 11, 2018. Additional information about this Application will be available at the EHS offices located at 225 Camino del Remedio, Santa Barbara, CA 93110. Inquiries for Public Works may be directed to Deputy Director, Mark Schleich or to Program/Business Leader, Jeanette Gonzales-Knight at 130 East Victoria Street, Suite 100, Santa Barbara, CA 93101, or by phoning (805) 882-3600.

Please contact Senior Environmental Health Specialist, Lisa Sloan at (805)681-4942 or at lsloan@sbcphd.org if you would like to provide comments on the JTD Amendment or the Application or if you wish to challenge the LEA approval. The Application may be viewed at: <http://www.countyofsb.org/phd/ehs/public-notices.sbc>

Comments received on or before October 27, 2018
will be considered by the LEA.
