HIGHWAY 101 CORRIDOR (HC) OVERLAY

If your project falls within the Highway 101 Corridor Overlay Zone, please submit the following additional information.

SUBMITTAL REQUIREMENTS

- ✓ A clear delineation of all streams, rivers, water bodies, wetlands and other Environmentally Sensitive Habitat (ESH) designated areas on-site and within 50 feet of the property boundary;
- ✓ A clear delineation of all areas which shall be graded, paved, surfaced, or covered with structures;
- ✓ A description of the existing landscaping on the site;
- ✓ Plot plan, elevations, architectural and landscaping palettes, color and materials to be used;

****Note:** *The Department may request additional submittal information pertinent to the particular development that may be necessary for review of the project.*
